The Most Popular Chew Made

There is real enjoyment in chewing | SCHNAPPS tobacco. That's why it has won millions of chewers every year, until now more is sold than all similar tobaccos.

SCHNAPPS, the most popular product of the Reynolds factories, is manufactured in the very heart of the Piedmont tobacco belt, known to the world as producing tobacco with an aroma so delightful and appetizing that it introduced and popularized the chewing of tobacco.

The Clean, Pure Chew

is manufactured by the cleanest and most healthful processes ever devised, under the direction of men who have made the chewing tobacco business a life study, and who have managed the R. J. Reynolds Tobacco Company since 1875.

Only choice selections of thoroughly cured leaf are used in SCHNAPPS, and expert tests prove that this class of tobacco requires and takes a smaller amount of sweetening than any other kind of tobacco grown-and that it has a wholesome, stimulating and satisfying effect on chewers, besides being the most economical.

There are a great many imitations claiming to be "just as good" as SCHNAPPS, but there is only one gen. uine SCHNAPPS. Be sure the letters on the tag, and under the tag, spell S-c-h-n-a-p-p-s. There are more pounds of SCHNAPPS chewed every year than the total amount of all similar kinds.

Internal revenue statistics show that SCHNAPPS and others of the Reynolds brands won enough chewers in one fiscal year to make a net gain of six and a quarter million pounds, or onethird of the entire increased consumption in the United States on chewing and smoking tobacco.

SCHNAPPS is made and sold everywhere in 5c, cuts and 10 and 15c, plugs.

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.
